Who Are We?

Qualico Communities Calgary is an award-winning developer that creates master-planned communities. There are ten active communities in the Calgary region. Each has a unique builder group as well as different home types to offer.

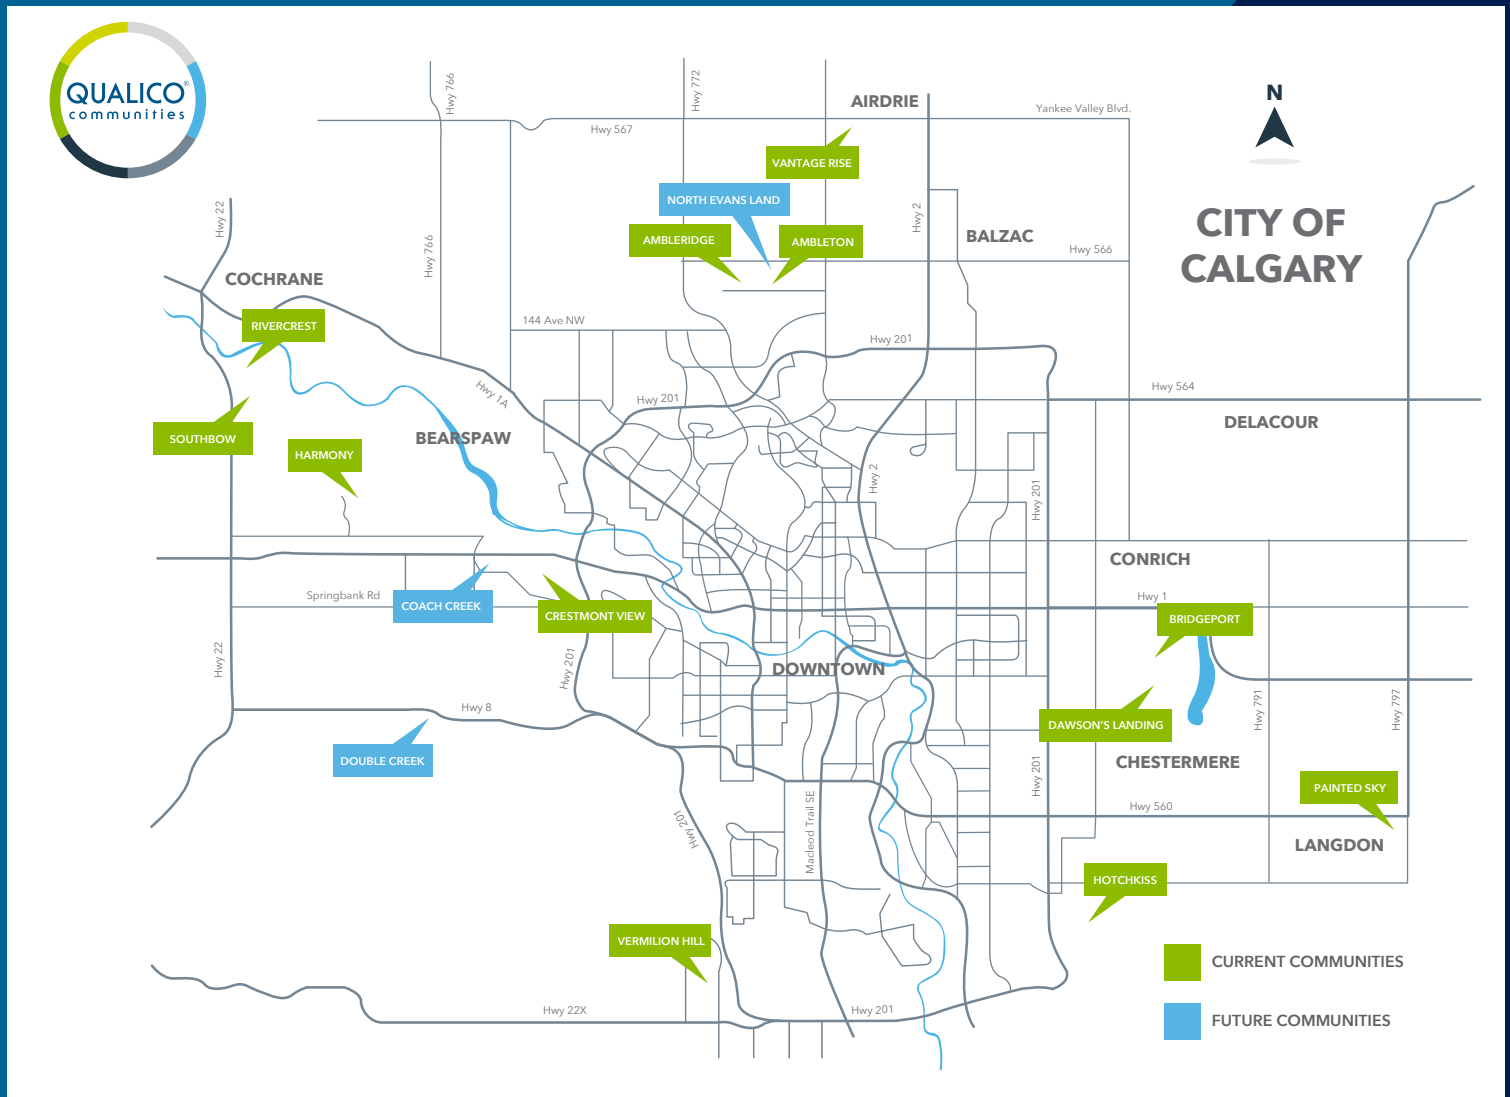

How to purchase in one of our Communities?

Home purchases are made directly through the builder group in each community. Qualico Communities prides itself on working with distinguished builders with proven track records.

How to shop?

Find the community that fits your lifestyle by using the map and listings below. The websites can then guide you through by available lots (Lot Map), Home Type, or by Builder and connect you to the area sales manager directly to get all the additional information you need

Vermilion Hill

About the Community

Live to explore – Vermilion Hill is steps away from Fish Creek Park, which is filled with park space, paved and gravel pathways, picnic areas and so much more. Weaselhead Flats and the Glenmore Reservoir are moments away via Tsuut’ina Trail. The community also has views of the Rocky Mountains and easy access to Bragg Creek and Kananaskis. The community at completion will have a connecting greenway throughout and four park areas, including the stormpond paths and gathering area. Close to Everything – with many nearby established amenities in nearby Bridlewood, Somerset and Tsuut’ina Nation, everything you need is a quick drive away!

Ambleton

About the Community

Calgary's NW community of Ambleton has many enhanced natural settings, unique spaces and views. Pedestrian gathering spaces, play areas and local and regional pathway networks make getting around and exploring the community easy. Travel is safer because of the off-street pathways protected from vehicular traffic. Not to mention a diverse range of housing for all demographics which makes purchasing a home easier knowing you can grow within the community.

PAINTED SKY
LANGDON

About the Community

Located in the hamlet of Langdon, a 15 minute drive east side of Calgary, Painted Sky is a neighbourhood set aside from the stress of busy urban environments. A spacious community as open and authentic as the boundless prairies. Painted Sky is a family-oriented community designed to serve the housing, lifestyle and amenity needs of its residents. It is a haven for families looking for an alternative to city living, but who still want the convenience of nearby schools, recreation, fire, police and emergency services.
